

Excursions Policy

An excursion is any activity organised by Penola Catholic College (except work experience) whereby students leave the College grounds for the purpose of engaging in educational activities.

Because excursions are conducted off College premises, away from the usual protections of the College environment, they have the potential to present unique risks for Penola Catholic College, our students, our teachers and others involved.

Penola Catholic College has developed the following policies to manage the risks associated with College excursions and to make excursions as safe as possible.

Excursions Policy – Master

Excursions Policy – Regular Off Campus Activities

Excursions Policy – Single Day Excursions

Excursions Policy – Overnight Excursion

Excursions Policy – Recreation & Outdoor Education

Excursions Policy – International Excursions

Related Policies

Excursions are essentially an extension of the College environment and as such, all WorkSafe Policies and Student Duty of Care Policies continue to apply unless it is impractical for them to do so.

From Complispace – current as at June 2020
