Transport – How do I get there?

Penola Catholic College is situated on two campuses. The Junior Campus (Years 7 & 8) is located at 35 William Street, Glenroy – a ten minute walk from the Glenroy Station. The Senior Campus (Years 9 – 12) is located at 29 Gibson Street, Broadmeadows. Students can walk from the Broadmeadows Station, through the underpass and into the College via a gate located on Camp Rd. The gate is opened each morning and at the end of the school day allowing students access at these times.

Buses & Trains

We are fortunate to have accessible transport in our community. Students are able to access *Route Bus Services* from the Broadmeadows Station.

Tullamarine Bus Lines (TBL) and Dysons each operate a dedicated bus service for the students of the Glenroy Campus. Tullamarine Bus Lines departs from Heversham Grove, Greenvale and picks up students at PTV bus stops located in Greenvale and Gladstone Park. Dysons first pick up is at Upfield Station to Broadmeadows Station and then travels to the Glenroy Campus. The reverse travel arrangements occur in the afternoon. All students must touch on with their myki card.

Bus Route 484 travels from Greenvale to the Broadmeadows Station.

Bus Routes 513 (along Bell Street, Coburg), *534* (Boundary Rd, Fawkner) and *536* (Gowrie Station) all travel to the Glenroy Station.

Bus Route 529 travels from Craigieburn to the Craigieburn Station.

Bus Route 538 travels from Campbellfield via Camp Road to the Broadmeadows Station.

Bus Route 540 travels along Blair Street and Barry Road, Broadmeadows to the Broadmeadows Station.

Bus Route 542 departs from the terminus at Roxburgh Park Station and travels to the Broadmeadows Station and to William Street, Glenroy.

Bus Route 902 travels from Tullamarine to the Broadmeadows Station.

Private Vehicles

We recommend that parents arrange with their child a suitable drop off/pick up spot several streets away from the College. Parking restrictions apply on surrounding streets of the College.

Bicycles

A secure bicycle rack is available on both campuses. All bicycle riders must wear a helmet.
