Procedures

Members of the wider College community will be invited to submit names of potential recipients to the Panel of Consulters.

A simple majority of the Panel of Consulters present at the meeting must be gained in favour of a potential recipient before the awarding of a medal.

Recipients of medals are to be invited to accept the medal before a presentation is made, and be requested to keep acceptance of the medal confidential until the presentation.

A recipient of an appropriate medal is to receive the medal at an appropriate occasion according to the category and have his/her name listed on the newly created Penola Catholic College Honour Board.
