

## COMMUNICATING WITH PARENTS POLICY

### Introduction

Penola Catholic College works in an educational partnership with parents for the benefit of all students. On entering into this partnership, families assume a number of important responsibilities, which include: loyalty to the College community, a commitment to the College Mission statement and support of all College policies and expectations.

It is acknowledged that there may be occasions when parents wish to express concerns / make complaints regarding College matters. Parents are always encouraged to communicate with the relevant College personnel to discuss their concerns.

The College is always available to assist parents through discussion in developing a clearer understanding of College expectations in all areas.

Parents are required to express their concerns in a calm and respectful manner towards all staff who may be involved. On presenting the concern the family must be able to be identified.
