**VCAL NUMERACY**

**Year 11 VCAL: Intermediate Numeracy**

This unit looks at maths applied to tasks which are part of the student’s normal routine and also outside their immediate personal environment such as the workplace and the community, whether first hand or portrayed by the media. The maths involved includes measurement, shape, numbers and graphs.

Learning Outcomes include:
- Numeracy for Practical Purposes – Design and Measuring
- Numeracy for Personal Organisation – Money, Time and Location
- Numeracy for Interpreting Society - Data and Numerical Information

**Year 12 VCAL: Senior Numeracy**

This unit aims to enable students to explore maths beyond the familiar and everyday use to its application in wider, less personal context such as newspapers, workplace documents and procedures, and specific projects at home or in the community. The mathematics involved would include measurement, graphs and simple statistics, use of maps and directions and an introduction to the use of formulae and problem solving strategies.

Learning Outcomes include:
- Numeracy for Practical Purposes
- Numeracy for Personal Organisation
- Numeracy for Interpreting Society
- Numeracy for Knowledge

**PLEASE NOTE:** Students in the trade specific areas will be required to undertake a VCE Maths unit in each year.
The purpose of the work related skills is to develop employability skills, knowledge and attitudes valued within community and work environments as a preparation for employment. The development of employability skills within this strand provides students with a capacity to consider and choose from the range of pathways open to students.

In both years students have to complete a minimum of 100 hours of structured Work Placement. It is compulsory for students to find a work placement.

Students will also be required to apply for part time jobs as part of assessment.

VCAL students are required to apply to participate in the VCAL program, which is followed up with an interview. Successful applicants are required to abide by the conditions outlined in the declaration they have signed. Students will become part of either a trade or a service. Successful applicants will be required to undertake the first unit of Work Related Skills prior to being eligible to commence placement.

To qualify for the award of VCAL you must complete a minimum of 1000 nominal hours of study during the year. This is typically made up of 10 semester length units each of 100 hours with 50 hours in the classroom or workplace and another 50 hours spent on homework or private study. There is an expectation that work not completed in class is completed for homework. This also includes folio development.

External to TAFE courses timetabled at school, students will engage in projects when VET is relevant to their future vocation. The program can lead to extensive pathways and can take various forms as outlined in these three options. Students may also be offered the opportunity to participate in RSA, RSF, RSG, Barrista as well as AFL umpiring training. *These may incur extra fees.

VCE options for VCAL students may be possible by negotiation but must directly complement a VET program whilst not compromising other subjects.

**VET courses** through Kangan or other TAFE institutes could be a full or half day programs. These can have varying starting and finishing times, therefore students will be expected to be at Penola Catholic College when not at TAFE on these days. Programs such as Hospitality may go into the evening so students must organise travel arrangements and must notify both TAFE and school of non-attendance.

Participation in College Events: On occasions, students will be required to participate in College activities on TAFE days. This will be pre-arranged and the TAFE institutions will be informed, where work placement is affected students will be required to notify employers.

VCE Maths: In some circumstances, VCAL students may undertake General Maths-Further Units 1 & 2 as part of the VCAL Program.

VCAL students will be required to attend a regular program during VCE exams.

Work Placement: Intermediate and Senior VCAL students must complete Work Placements. Students are to organise their own placements and have their Work Placement Agreement Forms completed minimum of 2 weeks prior to commencing their placements. The Work Related Skills teachers and VCAL SWL Co-ordinators will also assist students in completing their documentation prior to commencement of the placement. VCAL teachers will visit students whilst on their placement.
