

Penola
CATHOLIC COLLEGE
EST. 1995

5 September 2023

Dear Families,

I am writing to advise that Friday September 15, will be a remote leaning day for all year 10 students. The decision has been made to support students to prepare for the Year 10 Ball and maximise replacement teacher resources.

On this day students will have access to their class work via MyPenola and are to please follow the learning tasks and instructions posted by their class teacher for Periods 2 to 6. Please note there will be no online TEAMS meetings for students to attend.

If you have any queries about the remote learning day, please contact Ms Erin Bonavia.

Kind regards,

Ms Erin Bonavia

Deputy Principal
Senior Campus
