

Penola
CATHOLIC COLLEGE
EST. 1995

21 June 2024

Dear Families,

We are writing to advise of a change in procedure relating to students accessing toilets during class time.

As of Monday 24 June 2024, students needing to access the toilet during class time will be required to use the toilets at the Campus Office. This change will be implemented as part of our ongoing commitment to child safety and ensuring students have timely access to assistance if they need it e.g. become unwell and have appropriate supervision at all times of the school day. The only variation to this instruction will be students with classes in the Annie Brice building who can access the toilets in this building.

Students will have access to the student toilets before school, after school and at recess and lunchtimes.

If you have any queries, please do not hesitate to contact the relevant Head of Campus.

Kind regards,

Mrs Liviana Daniele

Deputy Principal
Junior Campus

Ms Erin Bonavia

Deputy Principal
Senior Campus
