Dear Parents and Guardians,

As most of you are aware, Victorian Premier Daniel Andrews, announced a 5 day lockdown of Victoria from midnight tonight until midnight Wednesday. He also announced that if students can learn from home, they must learn from home for these 3 days, that is from Monday February 15 until Wednesday February 17. We will begin the process of remote learning for the next 3 school days through a combination of Microsoft Teams meetings and information on class pages on MyPenola.

It is important that I reiterate from the outset of this communication that the safety of the Penola Community is our first priority in our decision making. I also wish to reiterate that we are aware that life has become challenging for many within our school community and that this Christ-centred school community wants to provide the best support and connection that we can achieve in these difficult times.

Penola Catholic College supports the Government's position to provide educational supervision to the dependents of essential workers who cannot work from home and/or vulnerable students throughout Term 2. These people play a critical role in the safety of our community. **If you believe your family is unable to facilitate remote learning due to being essential workers or for other specific reasons, could you please complete the following form, by clicking on the link below to register your child by midday Sunday February 14 to enable us to plan appropriate supervision and support. Later requests will be considered, but we are trying to ascertain the level of current need for next week.**

I must reiterate that for those students who come to school, Penola can provide supervision only, to support these students accessing the remote learning plan. The supervisors will not be actively engaged in teaching; the student's regular teachers will do this remotely and will not be on campus. Students attending school will be required to wear masks whilst indoors. A member of the Leadership team or Wellbeing team will contact each family seeking supervision, to discuss your specific needs.

Once we ascertain the number of people seeking supervision, we will provide more information about what that will look like. I can let you know that supervision of these students will take place at the Senior Campus, 29 Gibson Street, Broadmeadows, as there is more space to ensure that students are socially isolating effectively. The Junior Campus will effectively be closed to all staff and students. In the interest of community safety we will be working to minimise the number of people who need to come on site at the Senior Campus which will mean that the gates will be closed and students will need to enter through reception.

I hope and pray that all within our Penola Catholic College community remain safe and well.

Regards

Chris Caldow
