- Promotion of community

About College Fees

- Penola Catholic College's income is received from Government grants, College Fees and Fundraising by the College community.
- The level of Fees charged must be sufficient to support the educational program of the College.
- The College Board are responsible for setting the College Fees and will be sensitive to the financial constraints upon families wishing to send their children to Penola Catholic College.

Policy

This Policy must be interpreted in the light of the Penola Catholic College Vision and Mission Statement and read in conjunction with the Enrolment Policy. Therefore, in implementing this Policy, the College Principal and the College Board have a degree of discretion.

- An Annual all-inclusive Tuition Fee and a compulsory Building Fund contribution will be charged for each student enrolled at Penola Catholic College. However, at the senior level of the College, the possibility of an additional Levy for certain subjects will be considered at the time of setting the Annual Budget. At the time of Enrolment, families will be made aware of the College Fee Policy, which will be available on the College Website.
- The level of College Fees will be reviewed annually by the College Board, taking into account the financial needs of the College and the ability of the College community to meet these Fees.
- A family concession will be granted to all families who have two or more students enrolled at Penola Catholic College.
- It is expected that payment of College Fees will be viewed as a priority by our families.
- Parents need to be aware that it is not appropriate for students whose Fees are in arrears to participate in extra-curricular activities (eg music tuition, overseas tours, outdoor education etc) or non-curricular activities (eg year 12 graduation dinner).

- The College has the right to pursue outstanding monies and will undertake whatever steps are necessary to ascertain the family's ability to meet the debt and then if necessary, and with the College Board's approval, take legal steps to recover the money owed to the College.
- In certain circumstances the College will require parents to pay Fees in advance.
- Fee concessions will be considered for families facing genuine Financial Hardship but there is an expectation that a minimum contribution would be made by all. Fee remissions are reviewed annually.
- The College Principal, assisted by the Business Manager, is authorised to grant College Fee concessions. The number and level of such remissions shall be reported to the College Board but the names of families receiving such remissions shall be confidential to the Principal, Business Manager and Chairperson of the College Board, unless in an extraordinary circumstance the College Board determines otherwise. Parents need to be aware it is not appropriate for students who are in receipt of Fee concessions to participate in extra-curricular activities, eg music tuition, overseas tours etc.
- Normally, eligibility for Fee concession would be formally sought with adequate supporting financial information and documentation. However, in some circumstances, it may be appropriate for the College to take the initiative to offer a Fee concession, eg sudden death of family breadwinner.
- Access is not denied to students because of an inability to pay College Fees.
- Due consideration will be given to CECV and Archdiocesan Policies relating to College Fees.
