

3 February 2025

Dear Families,

We are delighted to welcome your sons and daughters to their first day of Year 7 today. While we endeavour to make it a smooth transition for students, unfortunately, due to a very late staff resignation, we had to make a change to the number of homerooms in Year 7 this year and to reallocate the students originally allocated to 7J to other homerooms. We appreciate that for some students and families this unexpected change may cause some apprehension.

Our Transition team and the Year Level Leaders will be actively monitoring how students are settling in today and throughout the rest of the week. They will support any students who need assistance settling into their new homeroom.

Sometimes, though, students will mask their concerns at school, and it will only be at home that they express their worries about an unexpected change. If you feel your child has any concerns in the coming days about settling into their new homeroom, please feel free to contact their homeroom teacher or the Year 7 Coordinators, Jade Cassar and Kosta Masouras.

I would take the opportunity to acknowledge the hard work of our College Timetabler and the Year 7 team in managing this last-minute change, and to thank you for your understanding.

Yours sincerely

**Ms Tracey Kift**  
Principal
