

# Retail Cosmetics Certificate II

SHB20116

The Certificate II in Retail Cosmetics: is the entry level qualification to the makeup industry where you will learn a range of skills under the guidance of our industry expert Marie Vicario to start a career within the dynamic cosmetic retail environment.

This course has been designed for those wanting to develop skills and knowledge to sell, demonstrate and apply cosmetics products to an industry standard. Retail Cosmetics consists of 15 core subject areas providing you with the skills and knowledge to operate within a cosmetic retail environment.

This course is run at Penola Catholic College Broadmeadows Campus in our school salon.

# What you will learn

## **Makeup application**

Learn how to correctly analyse face shapes and facial features.

- Learn how to perform a professional makeup consultation.
- You will learn day, evening, bridal and special occasion makeup.

## **Cosmetic services**

- Learn to use effective team and individual work practices to plan and organise daily work activities.
- Develop the ability to communicate with fellow students and senior staff and actively participate in a teamwork environment.
- Develop sustainable work practices.
- Learn to recommend and advise on beauty products and services.

## **WHS and organisational requirements**

- Learn how to maintain, organise, and clean tools, equipment and work areas to ensure a clean and tidy client environment and the hygienic and safe provision of cosmetic services.
- Learn to work in a personal services environment by integrating knowledge of workplace rights and responsibilities and organisational policies and procedures
