

Penola
CATHOLIC COLLEGE
EST. 1995

24 May 2024

Dear Families,

It has been a busy start to the term for the year 10 students and we congratulate them on their efforts so far. This letter is to inform you about important information regarding the end of semester arrangements for Year 10 students including the upcoming year 10 examinations that are scheduled to be held from Friday May 31st to Friday June 7th inclusive.

Attached to this letter is a copy of the examination schedule which is also available on MyPenola.

We ask that you please read through the following information and discuss with your student:

- Homeroom will not take place on the days of the examinations. Students are to arrive at school in time for their first examination and marshal at the examination site.
- Students will be permitted to leave the College after their **final examination for the day**. If the student has a space in-between examinations, they are to attend a supervised study room for private revision. Students are not permitted to leave the College in-between examinations.
- Students are to wear summer or winter uniform (no PE uniform) during the examination period. Blazers and scarves are not to be worn in the examination room and are to be stored in lockers.
- Students are required to bring writing materials (pens, pencils, highlighters, eraser) for each examination. We encourage these to be stored in a clear snap lock bag as no pencil cases are allowed in the examination room.
- Strict rules apply regarding digital devices in the examination room. Students found to have a mobile phone, blue tooth headphones, smart watch or other digital device will receive a consequence and may risk receiving an ungraded result for their examination.
- If a student is absent from their exam a medical certificate is required. The student must contact the Year Level Coordinator to re-schedule the examination as soon as possible.
- If a student is absent for a reason other than illness (family holiday, woke up late) the exam will not be rescheduled and the student will receive an NA.

Year 10 students commence work experience Tuesday 11 June to Friday 14 June 2024. It is important that if a student is unwell in this time, the employer is notified as soon as is reasonably possible and the College is also notified via the absence line.

We wish all year 10 students the very best during the examination and work experience period and look forward to welcoming the students back to Semester 2 on Tuesday June 18. Thank you for your support, if you have any questions, please do not hesitate to contact the Year 10 Coordinators at the College 9301 2777.

Kind regards,

Mrs Katherine Jones

Year 10 Coordinator

Mr Simon Phelan

Year 10 Coordinator

Ms Erin Bonavia

Deputy Principal
Senior Campus
