

Penola
CATHOLIC COLLEGE
EST. 1995

May 16, 2023

Dear Families,

It has been a busy start to the term for the year 10 students and we congratulate them on their efforts so far. This letter is to inform you about important information regarding the upcoming year 10 examinations that are scheduled to be held from Friday May 26 to Friday June 2 inclusive.

Attached to this letter is a copy of the examination schedule which is also available on MyPenola.

We ask that you please read through the following information and discuss with your student:

- Homeroom will not take place on the days of the examinations. Students are to arrive at school in time for their examination and marshal at the examination site.
- Students will be permitted to leave the College after their final examination for the day. If the student has a space in-between examinations, they are to attend a supervised study room for private revision. Students are not permitted to leave the College in-between examinations.
- Students are to wear summer or winter uniform (no PE uniform) during the examination period. Blazers and scarves are not to be worn in the examination room and are to be stored in lockers.
- Student are required to bring writing materials (pens, pencils, highlighters, eraser) for each examination. We encourage these to be stored in a clear snap lock bag as no pencil cases are allowed in the examination room.
- Strict rules apply regarding digital devices in the examination room. Students found to have a mobile phone, blue tooth headphones, smart watch or other digital device will receive a consequence and may risk receiving an ungraded result for their examination.

We wish all year 10 students the very best during the examination period and thank you for your support. If you have any questions, please do not hesitate to contact the Year 10 Coordinators at the College.

Yours sincerely,

Ms Anisa Shkempi
Year 10 Coordinator

Mr Simon Phelan
Year 10 Coordinator

Mrs Erin Bonavia
Deputy Principal
Senior Campus
