CATHOLIC COLLEGE
EST. 1995

Monday 31st May 2021

Dear Parents,

The recent lockdown and restrictions created by the local COVID crisis has played havoc with our college calendar. Many calendared events have had to be rescheduled or removed because of the on-going risk factors created by the COVID pandemic.

As a result, the college is not able to go ahead with the planned Year 10 Work Experience program which was scheduled for the week beginning 7th June. As we consider that Work Experience is important in giving students some understanding of a chosen career path, there will be an opportunity to reschedule it at some point in Term 3. When this occurs depends on a number of factors that the college will work through.

This news will no doubt come as a big disappointment to some students who were really looking forward to their work placement. We also recognise that some students had landed some *dream* placements which will not be available again at any stage in the year.

In place of the Work Experience week, Year 10 students will now sit their exams which they have missed out on in the past week. The Year 10 program will now reflect the changes that we have had to necessitate:

Fri 4 th June	Launch of Student Leadership Program (period 1)
Fri 4 th June – Fri 11 th June	Year 10 Exams (from period 3 onwards) (Year 10 students are at school only on days of their scheduled exams)
Mon 14 th June	Queen's Birthday Holiday
Tuesday 15 th June	Semester Two begins

We regret the changes we have had to make, but the health and safety of our students is always a priority.
