Dear Families,

It has been a busy start to the term for the Year 11 students and we congratulate them on their efforts so far. This letter is to inform you about important information regarding the upcoming Year 11 examinations that are scheduled from Thursday 6 June 2024 to Friday 14 June 2024.

Attached is a copy of the examination schedule which is also available on MyPenola.

Please note that Vocational Major students will have their normal scheduled classes during this time.

We ask that you please read through the following information and discuss with you child:

- Homeroom will not take place on the days of the examinations. Students are to arrive at school in time for their examination and marshal at the examination site.
- Vocational Major students will begin the school day during the exam period by going straight to Period 1. On Friday 7 June 2024 and Friday 14 June 2024 Vocational Major students are permitted to begin the school day at 9.44am, going straight to Period 2.
- VCE students are only required to attend school when they have a scheduled examination and are permitted to leave after their final examination for the day. Students who have space in-between examinations are required to attend the allocated study room. Students are not permitted to leave the College in-between examinations on the same day.
- Students are to wear summer or winter uniform (no PE uniform) during the examinations. Blazers and scarves are not to be worn in the examination room and are to be stored in lockers.
- Student are required to bring writing materials (pens, pencils, highlighters, eraser) for each examination. We encourage these to be stored in a clear snap lock bag as no pencil cases are allowed.
- Strict rules apply regarding digital devices in the examination room. Students found to have a mobile phone, blue tooth headphones, smart watch or other digital device will receive a consequence and may risk receiving an ungraded result for their examination.

We wish all Year 11 students the very best during the examination period and their final weeks of semester and thank you for your support. If you have any questions, please do not hesitate to contact the Year 11 Coordinators at the College 9301 2777.

Kind regards,

Mr Danny Diaz
