Dear Families,

It has been a busy start to the term for the year 11 students and we congratulate them on their efforts so far. This letter is to inform you about important information regarding the upcoming year 11 examinations that are scheduled from Friday June 2 to Friday June 9.

Attached is a copy of the examination schedule which is also available on MyPenola.

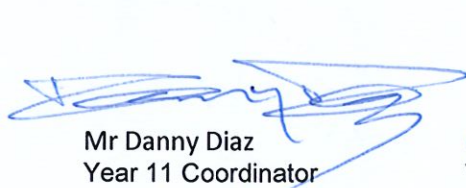

Please note that Vocational Major students will have their normal scheduled classes during this time.

We ask that you please read through the following information and discuss with you child:

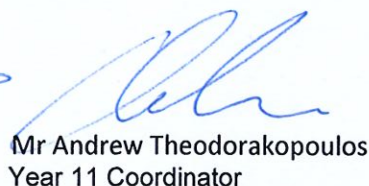

- Homeroom will not take place on the days of the examinations. Students are to arrive at school in time for their examination and marshal at the examination site.
- Vocational Major students will begin the school day during the exam period by going straight to Period 1. On Friday June 2 and Friday June Vocational Major students are permitted to begin the school day at 9:43am, going straight to Period 2.
- VCE students are only required to attend school when they have a scheduled examination.
- Students are to wear summer or winter uniform (no PE uniform) during the examinations. Blazers and scarves are not to be worn in the examination room and are to be stored in lockers.
- Student are required to bring writing materials (pens, pencils, highlighters, eraser) for each examination. We encourage these to be stored in a clear snap lock bag as no pencil cases are allowed.
- Strict rules apply regarding digital devices in the examination room. Students found to have a mobile phone, blue tooth headphones, smart watch or other digital device will receive a consequence and may risk receiving an ungraded result for their examination.

We wish all year 11 students the very best during the examination period and their final weeks of semester and thank you for your support. If you have any questions, please do not hesitate to contact the Year 11 Coordinators at the College.

Yours sincerely,

Mr Danny Diaz
